Dear Mr. Alonzo:

Re: NPDES General Permit No. ING670061
Texas Eastern Transmission 24" Natural Gas Pipeline 1
2 miles east of Highway 56 off Kellerville Road
Southeast of Hayesville, Indiana
Dubois County

This agency has reviewed the request dated February 2, 2010 for voidance of the above-referenced permit, submitted by Mr. Ronald Heuer on your behalf. According to the letter Spectra Energy completed hydrostatic testing of the above-referenced pipeline in June 2009, and there will be no further discharges from the site. Our office concurs that in this case this NPDES permit is no longer required.

Therefore, National Pollutant Discharge Elimination System Permit No. ING670061, issued June 16, 2009, is hereby revoked effective 18 days from the mailing date of this letter.

Any party adversely affected or aggrieved by this decision may appeal by filing a petition for administrative review with the Office of Environmental Adjudication (OEA) within eighteen (18) days after the date of mailing of this letter. Any appeal request must be filed in accordance with IC 4-21.5-3-7 and must include facts demonstrating that the party requesting appeal is the applicant, a person aggrieved or adversely affected by this voidance or otherwise entitled to review by law. Pursuant to IC 13-15-7-3, this decision shall remain in effect pending a decision on any appeal that has been timely requested under the provisions of IC 4-21.5. The address is:
